## Technical Report

your

Hi my name is Laurence D. Johnston, VP Technical. I need you help to make this a successful exciting 2013/2014 season. If you have ideas for technical sessions or you can speak and provide an informative technical session please contact me. Your help is greatly appreciated.

Come and join us at our **September Chapter Meeting and Technical Session**. Come see old friends and make new friends; enjoy a nice meal and soak up some knowledge.

**SEPTEMBER Main Program:** Gas Booster Pumps

**Speaker:** Jon Moore

**Date:** September 10<sup>th</sup> 2013

Our speaker will be Jon G. Moore, Sr. Vice President and Co-Owner ETTER Engineering Company, Inc. Jon has a BSME degree from University of Hartford and nearly thirty years in the natural gas and combustion industries. He left TODD Combustion over 15 years ago as Chief Engineer. TODD is a burner manufacturer now owned by John Zink. He joined ETTER Engineering and was one of the developers of the ETTER ENGB Next Generation Gas Booster. Jon has extensive experience in the gas handling, combustion, process heat and industrial heat industries. His presentation will be on the design, inner workings and application of gas booster equipment to the commercial and industrial market place.

By Laurence D. Johnston, CPD, V.P. Technical, Boston Chapter ASPE

## **Recent Ex-Members Can Now Rejoin ASPE at 50% off Until Sept. 30th**

The economic downturn between 2010 and 2012 prevented many of our members from continuing their ASPE membership. As a means of recognizing members that supported ASPE over the years but were unable to renew during this time frame, ASPE has implemented a program that will allow you to reinstate your membership at a **50% discount!** Please note that this is:

A one-time opportunity;

You must use the special membership form to receive the offering, which can be downloaded online at [www.aspe.org](http://www.aspe.org).

Cannot be combined with any other membership promotional offerings;

Cannot be transferred to anyone else or used at a later time;

Target audience: membership that expired between January 1, 2010-December 31, 2012;

Cannot be combined with any other membership promotional offerings;

Cannot be transferred to anyone else, can only be used by members on the list;

Renewal deadline is September 30<sup>th</sup>

Here is a list provided by Society of all our Boston Chapter members whose membership expires during the period 1/1/2010 and 12/31/2012. If you are on this list, you can submit the special membership reinstatement form and rejoin at an enormous discount. Most of these members are no longer on our mailing list so if you see any of these recent members, please mention this to limited time program to them. They can call me directly with any questions or for assistance.

### **Recent Boston Chapter members eligible for the reinstatement discount:**

# Membership News

## New Members

The Boston Chapter is happy to welcome its newest members:

Joseph Cinco	Cinco Plumbing & Heating	Coventry, MA
Andrew Powers	CSI Engineering	Saugus, MA

## Members: ASPE is now paperless

ASPE membership renewal notices are now being sent via e-mail. Please check your spam folder to ensure that you receive your invoice on time. To update your e-mail address, contact Membership Coordinator [Jinnie Yoo](#) or log in at ASPE's website at [www.aspe.org](http://www.aspe.org). If you don't have your email address on file with society, you will miss out.

Next month the mailing label on your Boston Chapter newsletter will include the email address that Society has on file for you. Please let me know if you need to change or update it. It is simple enough to do, you just need to let me know.

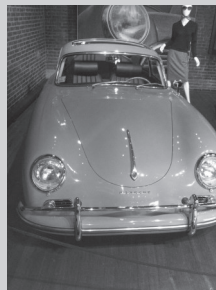

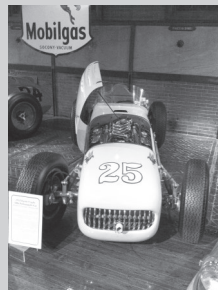

## September Certified in Plumbing Design exam announced

Want to become a CPD this year? If you weren't able to take the Certified in Plumbing Design exam in April, don't worry. ASPE is offering a special chance to take the exam on September 22 immediately after the 2013 ASPE Technical Symposium in Orlando, Florida. If you sign up for both the September CPD exam and the 2013 ASPE Technical Symposium, you will receive 25% off the exam fee! This is a perfect opportunity to enhance your career choices by reaping the benefits of both the Technical Symposium's professional development program and the recognition of the CPD designation for one low cost.

By John Callahan, CPD, V.P. Membership, Boston Chapter ASPE

## **ASPE's Boston Chapter Celebrates 40 Years at the Lars Anderson Museum**

Here a few select photos of some of the numerous antique and exotic cars on display at the Lars Anderson Automobile Museum where the Boston Chapter recently held its 40<sup>th</sup> Anniversary Dinner Party.

As part of the night's festivities, the Boston Chapter Charter Members in attendance were presented with a special award recognizing all their continuous dedication to the chapter. Pictured to the far right above is the award.

## Legislative Report

Hi, my name is Frank Denisi, I have previously served on the board and am very much looking forward to serving as your VP legislative and would like to thank you for this opportunity. I graduated from Wentworth Institute of Technology in 2001 with a Bachelor of Science Degree in Mechanical Engineering Technology and have been a Plumbing Engineer for the past 13 years. I recently started working for the plumbing department at Cosentini Associates in Cambridge, Massachusetts. As VP Legislative, I will be picking up where Manuel Garcia left off and work with the Plumbing Board to clarify and resolve any questions we may have as plumbing engineers that pertain to 248 CMR "Uniform State Plumbing Code".

Please feel free to contact me at any time

## Plumbing Engineer (PEBOS41013)

**Cannon Design** is an Ideas Based Practice, ranked among the leading international firms in planning and design for healthcare, research, education, corporate commercial, sports and government clients. At present, the firm employs a staff of over 1,000, delivering services in 16 offices throughout North America as well as abroad in Shanghai, China, and Mumbai, India. Cannon Design offers challenging and rewarding career opportunities for an experienced Plumbing Engineer in a dynamic, team-focused work environment in our Boston office.

The Plumbing Engineer will prepare construction drawings and specifications for Plumbing/Fire Protection systems, perform and direct complex design in plumbing/fire protection system design using Revit, AutoCAD and AutoCAD Overlays. Will also be responsible for field inspection of projects under construction. Position requires experience in the design of plumbing, laboratory/medical gas, kitchens, fire protection, and other specialty systems for institutional and healthcare facilities. An interest in sustainable design solutions. The successful candidate must have experience presenting solutions to project teams and clients. If you are a self-motivated, goal driven engineer interested in the exciting growth fields of laboratory, health care, and education, then we would like to talk with you.

A Bachelors Degree in related field desired. 5+ years of experience is necessary. Strong communications and interpersonal skills are essential. Strong AutoCAD skills required. Proficiency with BIM applications preferred, REVIT experience strongly desired. PE and LEED preferred. Please upload resume and portfolio materials to our career portal at [www.cannondesign.com](http://www.cannondesign.com).

## LEAD-FREE. WORRY-FREE. HASSLE-FREE.

### 4 YEARS EARLY.

With new national lead-free legislation taking effect in 2014, there's been a lot of talk about making the switch. Here's the truth: T&S was the first fixture, faucet and fitting manufacturer to convert its entire line to lead-free alloys back in 2010.

So when you purchase a T&S faucet today, you're already lead-free compliant. No worries. No hassle.
