President's Report

The September Grease abatement technical session went very well. Thank you Chas for coming to Boston Chapter and putting on a great session.

I look forward to seeing all of you October 11 at the BSA, for our first lunchtime meeting this season. Please make your reservations early.

Plan your ASPE events early. Check out our web site: www.aspebostonchapter.org. See the future in our pull down calendar.

Our Golf Outing went very well. We had a great turnout and everyone had a good time. Personally I did terrible, and I lost a lot of balls; it was still fun. The food was good as usual and there was a lot of nice raffle items. Thank you to all the golfer and sponsors. I want to thank Jeff Gooding and the golf committee for a great job. An additional thank you goes to our photographer Paul Jappe and raffle announcer Kevin Lally.

Jeff has been the Golf Chair for several years; doing a great job. Jeff thank you for your many years as golf chair. Jeff is stepping down from the golf chair position. Our new golf chair for next year will be Patrick McAuliffe. Pat thank you for stepping up to the tee as golf chair.

Please check Membership News and see if you are listed in the drop list, or if you know someone on the drop list. If you are listed it's time to renew your membership. If you see someone you know please remind that person to renew their membership.

2016 ASPE Convention & Expo is in Phoenix AZ this year. It runs from October 28 through November 2. The Boston Chapter delegates are working overtime on Society Bylaws and elections. I hope to see you there.

What technical sessions are you interested in? Please call or email us with your comments and suggestions.

Technical Report

September Meeting Wrap-up

If you were not able to attend the September meeting you missed out on some good stuff! This past month we welcomed Mr. Chas Tevis from Highland Tank, to our monthly meeting. Chas talked about some of the standards, sizing and maintenance of both interior and exterior grease interceptors.

Key points on Grease Interceptors:

- Refer to PDI documents for sizing information.
- New Jersey and Maryland use National Standard plumbing code; where on a 3 bay sink only 2 bays have to be connected to a grease interceptor.
- Uniform plumbing codes uses DFU's.
- The max vertical lift of a vacuum truck is 20'.
- Above ground grease interceptors are possible, they should be fitted with heaters to keep grease warm.
- Bring vents from grease interceptors to the nearest roof with a gooseneck.
- Enzyme cleaners are prohibited because they reduce the fog removal system efficiency.

October Technical Topic and Meeting

The October technical topic will be on Maximizing Water Efficiency. This meeting will be a lunch time meeting held on October 11, 2016 held at Boston Society of Architects (BSA) located at 290 Congress Street, Suite 200 Boston, MA. We have the room from 11:00am to 2:00pm, check in will start around 11:30 with the speaker starting at 12. Please make sure you are on time. This session will focus on an overview of water use and trends in the U.S., with a focus on "green building" programs. A discussion on green design restrooms applications and how to choose water saving products to best meet your client's needs.

The session will be presented by Mr. Steve Callahan from Sloan Valve Company. Mr. Callahan has been in the plumbing, water quality and water efficiency industry for more than 25 years. Beginning with 3M/Cuno in the early 90's, Steve has been in key product management, marketing and sales positions both regionally and nationally where he honed his expertise in water filtration and treatment. He co-founded PureTech Waters in CT, the bottler of Vital H2O, and was President of the company for 8 years before joining Watts Water Technologies. At Watts he helped launch OneFlow®, a break-through water treatment technology to treat and control hard water scale, in both commercial and residential potable water applications. Steve has spoken at more than 40 ASPE chapters throughout the U.S., mostly covering water quality and efficiency technologies, including presenting at the 2011 ASPE Technical Symposium in Orlando, FL.

Best Regards, Ed Nadeau, VP Technical, ASPE Boston Chapter

Membership Report

New Boston Chapter Members

The Boston Chapter ASPE would like to welcome the following new members:

Samantha Falkowski	Taco Comfort Solutions	Cranston, RI	Student Member
Wesley Sirois P.E.	Ranor Mechanical	Jay, ME	Full Member
Nicolas Kalil	WB Engineering	Boston, MA	Full Member
Anthony Russo	Griffith & Vary	Warehan, MA	Full Member
Michael May	Engineered Systems	Woburn, MA	Associate Member
Robert Borjeson	Mueller	Derry, NH	Affiliate Member
Bruce Sandler	Conbraco	Woburn, MA	Affiliate Member
Seth Wood	-	Grafton, MA	Full Member
Andrew Arsenault	Design Day Mech.	Wells, ME	Full Member

Membership Growth in the Boston Chapter

As of this writing, the Boston Chapter currently has 299 members and is the second largest ASPE Chapter. The New York City Chapter is the largest with 314 members. Chicago has dropped to the third largest chapter with 283 members.

Where Are They Now???

In the last two years, we have welcomed a substantial number of new members to our chapter. Unfortunately, we have EIGHTY-FOUR members who simply didn't get around to renewing their membership for whatever reason. In an effort to get our ex-members to return, I am asking you, our current members, to reach out to the following ex-members. This is a list of 84 people that were members of the Boston chapter in October 2013 that are no longer members. If you see any of them, please ask them to rejoin ASPE. Have them contact me directly and I'll get them signed up at only half price. That's right, a 50% discount.

Edward I. Shifman	Patrick J. Walsh	Stephen Byron	Gerald J. Caroto	Cedric M. Mukania G.E.
John J. McCarthy P.E.	Kenneth P. Hong	John O'Brien	Nicholas A Morin	Nicholas Davis G.E.
Melville J. Mossman P.E.	William Papko P.E.	Philippe Lauture	Mitsu Koshima	Kevin L. Neal
George Dubin P.E.	Frank N. Zaino P.E.	Richard R. Aaron	David Downey	Stephen E. Kelly
Andrew G. Kireta Sr.	Bruce D. Walker	Anup Khatra P.E.	Daniel Cohen	Dario Correia E.I.T

Membership Revoke List

As of September 10th, ASPE Society sent me a "Revoke List" of eleven members who still haven't renewed their membership months after their renewal date has come and gone. Those eleven members are about to be dropped by Society from the membership roster. I will not list their names here, but please note that if your mailing label on this newsletter is printed in RED, you are about to lose all membership benefits and discounts. Please look at your label and see if it is printed in red. I will try to contact each one of you individually before you receive this newsletter, but in case I wasn't able to, this is your way of knowing you need to renew your membership immediately.

September Renewal List

Just a reminder to these members who are due to renew their memberships before September 30th. If you haven't renewed online yet, please do so as soon as possible. If you have, thank you!

Lloyd G. Benjamin	Brian M. Hagopian	Thomas Lynch	Gregory E. Riley P.E., CPD
David Brown P.E., LEED AP	Darrin Healey	William McKenna G.E.	Robert J Shupe
Wesley Day	Jeffrey Hodgkin	Miguel Pedro	Jeri Sullivan
Brandon French	Marybeth LaRocque CPD	Kevin Pelton CPD	

October Renewal List

Just as a friendly reminder, the following twenty-two members have an October renewal date.

Jason Allison CPD	Paul G. Galvin	Eric Laforge	Kevin N. Ross
Daniel F. Barrett G.E.	Jeffrey Gooding	Edward LaRiviere	Richard Seiden P.E.
John Certuse P.E.	Christopher Halligan	Frederic H. Livingston P.E.	Kevin Walsh
Timothy W. Crowley	Mark Jacobs P.E.	John MacLeod	Robert Ward
Timothy A. Elliott P.E.	William Jerome Jr., P.E.	John O'Brien CPD	
Jeremy Ferriter CPD	Seth A. Johnson	Jason M. Rosen

Legislative Report

The Massachusetts Board of State Examiners of Plumbers and Gas Fitters have scheduled the next Public Hearing for 9:00 a.m. on Wednesday, October 5, 2016 to deliberate proposed amendments to 248 CMR 3.00, 10.00, and 11.00. The meeting location will be at 1000 Washington Street, 1st Floor, in Boston, MA.

The purpose of this meeting is for the Board to propose the removal of unnecessary regulatory provisions. All attendees at this hearing will be given an opportunity to present testimony orally or in writing.

The following are some of the proposed amendments the Board plan to deliberate at the Public Hearing:

- Eliminating renewal requirements for plumbing product approvals.
- Clarifying the ability of an inspector to allow work to commence once a permit is to be issued.
- Enhancing the use of unisex bathrooms, which now can be "gender neutral".
- Making it easier for individuals holding one type of license to get other licenses within their field.

Additional information on this upcoming Public Hearing can be found at the following Board of State Examiners of Plumbers and Gas Fitters website:

<http://www.mass.gov/ocabr/licensee/dpl-boards/pl/>
